In compliance with your email, I am writing this message to inform you about the progress we have made in the preparations of Viwentiaa 2026. As such, there are still a number of tasks to be completed in due time, and I assure you that the committee will do everything possible to ensure the success of the event.Completed Tasks as of Now:The event's schedule, room organization, and technical specifications have been designed and finalized throughout the campus.The promotional posters and social media campaign were developed and officially launched.The student registration system was opened, and the invited guest judges for the main technical competitions were confirmed.Ongoing/Unfinished Tasks:Sponsorships and the budget reports need to be finalized.The organization and transportation of the guests and judges have yet to be arranged and hosted.Participant badges,certificates, and banners must be printed and prepared for the event's location.I expect that all preliminary arrangements will be completed by [Date, e.g., October 15, 2026], so that we have some time to spare to complete a walkthrough of the event's venue. Again, thank you for your extraordinary support and guidance throughout the organization process. Kindly let us know if you have any concerns or wish to schedule an appointment to go over the details.

Best regards,
Tanish sharma,

Member of the Organizing Commete,

Viwentiaa 2026

KLH Bachupally Campus
